

# ROOFINOX

Designboard Volume 1

**HFX STAINLESS  
FOR ROOF +  
FACADE**

**Like no other.**

## Best value solution

long-term investment  
instead of renovating

## 35% more malleable

most flexible  
stainless steel  
easier to process

## Strongest metal

4 x stronger  
than aluminium

## Soldering instead of gluing

## Lowest expansion

less oil-canning  
less noise

## Most sustainable roofs and facades

life expectancy  
of over 200 years  
contains over 90%  
recycled material

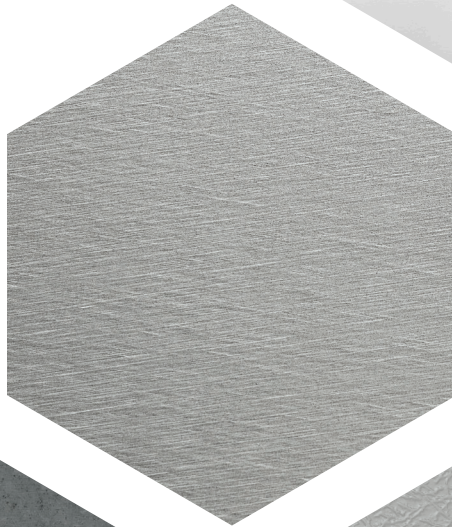

## Light

3,95 kg / m<sup>2</sup>

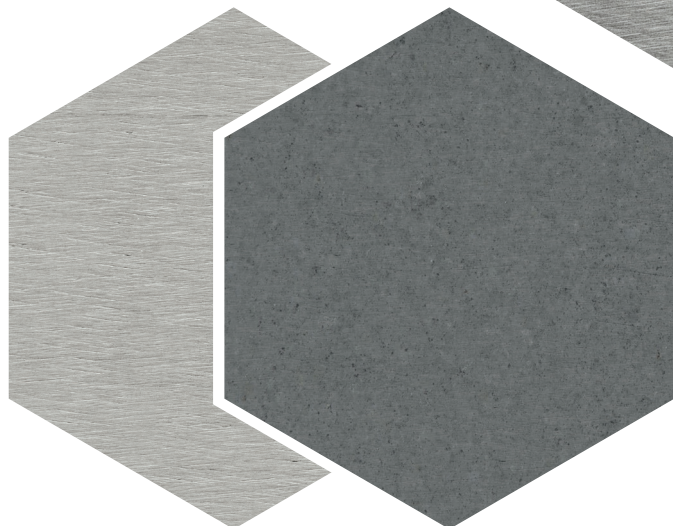

**ROOFINOX HFX stainless**  
 is nothing less than the  
 evolution of stainless steel  
 for the building envelope.  
 Like no other.

**CLASSIC**  
 (brush-rolled)

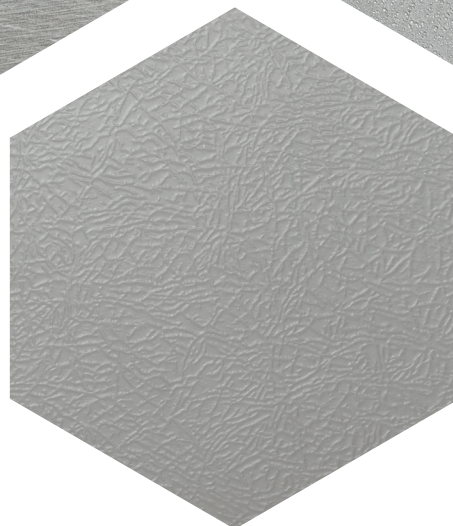

**PEARL**  
 (bead-blasted)

**TIN (TERNE)** (brush-rolled and  
 tin-plated) upon delivery

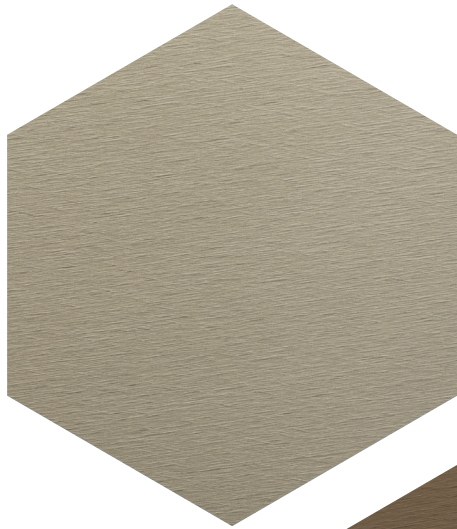

after 2 years of natural weathering  
 → darkest patina

**PLUS**  
 (brush-rolled and ribbed)

Note: All designs on this page are available as seamable HFX stainless coils and sheet metal.  
 For more detailed information and dimensions, please refer to our catalogue. The designs shown are also available with ribbed surface.

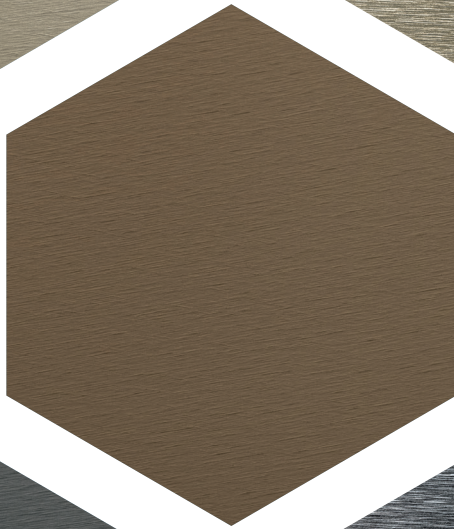

**DURA-matte Champagne**  
(brush-rolled and electro-coloured)

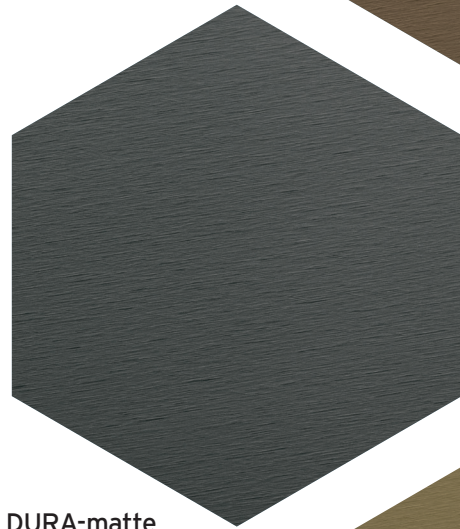

**DURA-brilliant Champagne**  
(brush-rolled and electro-coloured)

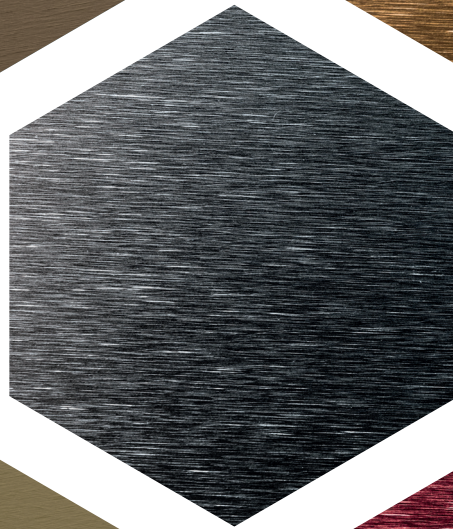

**DURA-matte Bronze**  
(brush-rolled and electro-coloured)

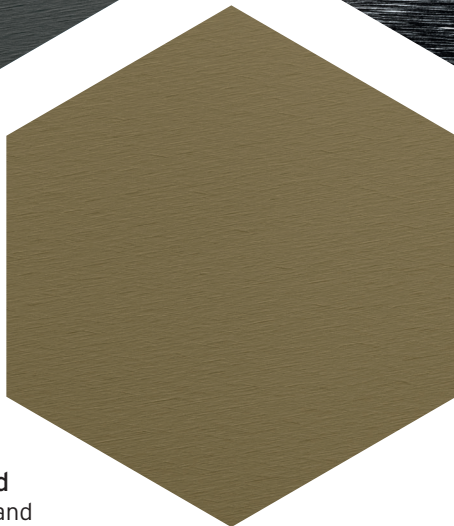

**DURA-brilliant Bronze**  
(brush-rolled and electro-coloured)

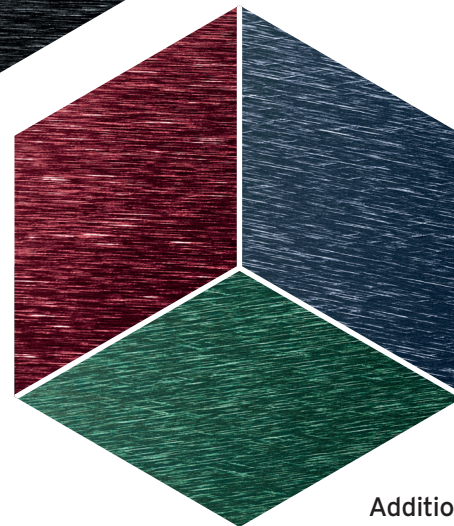

**DURA-matte Anthracite**  
(brush-rolled and electro-coloured)

**DURA-brilliant Black**  
(brush-rolled and electro-coloured)

**DURA-matte Antique-gold**  
(brush-rolled and electro-coloured)

**Additional colours**  
on request

Note: DURA-brilliant is only available as seamable HFX sheet metal with up to 6.4 m.  
DURA-matte is available as extra long seamable HFX sheet metal with a length of up to 12 m.  
Delivery time 6 - 8 weeks. For detailed information and dimensions, please refer to our catalogue. The designs shown are also available with ribbed surface.  
The electro-coloured samples are colour examples. DURA is a natural product and may show batch-dependent colour variation.

# Peace of mind Sustainable Beautiful

Fire  
protection  
class A1

Colour  
without colour

no fading,  
yellowing or  
delaminating

100%  
UV-resistant

no pigments,  
coatings or paints

**HFX STAINLESS  
FOR ROOF +  
FACADE**

**HFX**  
STAINLESS

Four  
times matte

mattest surface  
lowest glare  
lowest gloss

Like  
no  
other.

No heavy  
metal runoff
